

*Celebrating More Than 20 Years of Building Hope, Lives & Communities*

August 29, 2014

Dear CBRE Volunteers,

On behalf of Habitat for Humanity of Greater Los Angeles and all of our partner families, thank you for volunteering for our *Corporate Build Day* program. It was a pleasure to see such a wonderful group of volunteers working alongside our Habitat staff, crew and daily volunteers.

We greatly appreciate your efforts in helping us build more homes and serve more families in Los Angeles. Partnering with very low-income families to build or rehabilitate homes is the hallmark of Habitat for Humanity's successful approach to eliminating poverty housing one house at a time. The homes are then sold to our partner families who pay back a no-interest loan. Their payments help us build future homes.

Habitat for Humanity of Greater Los Angeles has been able to accomplish a great deal, thanks to the support of our volunteers and donors. Together, we can ensure that safe, decent housing remains within reach of deserving families.

Again, thank you all for your generous support and we hope to see you out building again!

Best Regards,
